## MIDWEST AFRO-AMERICAN GENEALOGICAL INTEREST COALITION

### MID-YEAR RENEWAL REMINDER

### RENEW (OR JOIN) MAGIC TODAY :)

If you have not yet renewed (or joined) for 2023, our membership is \$20/year (Jan-Dec). Please do so today :)

Most of our expenses are clerical maintaining our website, email channel, and this newsletter support system. Pulling off events like Black History Month programming also takes a chunk of our finite budget. Hopefully you know our volunteer board is frugal in its outlook and expenditures, and we value every membership contribution. We appreciate that you see the worthiness of our mission to join and maintain your membership with MAGIC.

Go to <https://www.magickc.org/membership.html> and either print a form to send a check, or use a PayPal link.

## 5 STEPS TO CREATE AND SHARE A LINEAGE CHART

Did you know you can create a printed, sharable lineage chart (showing your direct ancestors in a "tree" formation) with the snap of a finger? Well, at least in 5 quick steps that should take a minimum of 5 minutes each:

- 1) Create a free account at [familysearch.org](http://familysearch.org) (keep your user/password handy)
- 2) Enter basic info for yourself (all info for living people are ONLY viewable to YOU)
- 3) Enter your parents birth and marriage (and death, if applicable) dates and places
- 4) Enter the same for your grandparents
- 5) At the bottom right of any person's screen, you'll see the "PRINT" section. HAVE FUN with the different styles!
