LINEAGE CHART IS A GREAT START

Below is an example of hand-made Lineage Chart #1 with 5 generations. It quickly and at a glance captures the names/dates/places of your DIRECT ancestors' birth/marriage/death dates. The names of great great grandparents go on the far right, and have a number next to each. That numeral indicates the subsequent chart where their details will be entered, so that the tree may 'grow' and 'branch' as more details may be uncovered.

Don't worry about missing or blank entries on your chart...they are opportunities for you to see where there are gaps needing further research.

These charts also help other genealogists quickly help give you pointers on what/where you might go next in your research.

You can also see migration patterns by studying the locations of each generation's birth, marriage and places of death.

Fill-in, to the best of your ability and knowledge, your own Chart #1 and submit it to MAGIC for posterity. You can turn-in a printed chart at one of our meetings, surface mail to MAGIC's PO Box, or e-mail it to david.jackson@orderlypackrat.com.

You never know who might see it and have an idea/s for you. Or, even more excitingly, a long-lost cousin may contact you who shares a common ancestor with you. And, they may have lots of information and photos passed down their line that you may have never seen!

CHART # _____

NO. 1 ON THIS CHART IS
THE SAME PERSON AS NO. _____
ON SHEET NO. _____

MARRIAGE RECORD BOOK A - COLORED 1866 TO 1875 - FRANKLIN COUNTY, MISSOURI

Extracted from LDS microfilm records by Barbara Dobbins Title, 525 E. Dunton, Orange, California 92865. While care was taken in transcribing these records, researchers should inspect the records themselves. In some cases it was just impossible to know with certainty how a person's name was spelled. Unusual names with clear spelling are underlined; questionable names are so marked with a question mark. With the exception of the comments "No children named", all remarks by the extractor will be bracketed. Unless otherwise noted, all place names are towns. Counties and townships will be so designated. JP denotes Justice of the Peace, MG stands for Minister of the Gospel.

MAGIC members Aitch Akers and David Jackson have Emancipation-era African-American ancestors from Franklin County, Missouri. Others?
